

# Approved amendments to the Class Rules 2021

(as of July 28, 2021)

## CR 1 GENERAL

The Nordic Folkboat was designed in 1941 to a specification of the Scandinavian Sailing Association, **now called Nordic Sailing Federation (NoSF)**. (Corresponding changes have to be done in the rest of the CR)

## CR 1.24 Advertising

already

accomplished

All Nordic Folkboat Class Races organized under the authority of the NFIA and NNFA shall be classified as per World Sailing-Regulation 20 (Appendix1 Advertising Codes).

**In accordance with Regulation 20.5 no Competitor Advertising<sup>2</sup> may be displayed on any boat<sup>3</sup>**

**In accordance with Regulation 20.4 a backstay flag is the only Event Advertising that is allowed.**

<sup>2</sup> For defined terms see World Sailing Regulation 20

<sup>3</sup> As defined in World Sailing Equipment Rules of Sailing

CR 6.2.1 The mast spar shall comply with the following dimensions and in accordance with the aluminum alloy mast section drawing No.12.

**All measurements for the aluminium alloy mast shall be carried out in accordance with the current WORLD SAILING, Equipment Rules of Sailing (ERS).**

CR 7.70 **The** standing rigging shall be adjustable above the deck only, **except the adjusting of the backstay which is free.**

CR 9.01 Only main and headsails shall be used during any race. A NA or an organizing club may permit the use of **spinnakers** for a regatta, but only after previous announcement in the notice of race and sailing instructions.

CR 9.56 Not more than **two spinnakers** may be used in any one race.
