

Dear Fellow Folkboaters,

It is now just one year until the Nordic Folkboat Regatta in the UK at the Royal Lyminster Yacht Club, September 17th to 22nd 2022.

Preparations are already being made to hold the UK Nationals, including the Walcon Cup, and the Sessan Cup 2022.

More information on this regatta is available on the Sessan Cup website:

<https://www.folkboatsessancup.com/>

We hope to have the Notice of Race and Entry Form available online in the near future, but in the meantime we need to determine the level of interest that our European friends might have in attending this Regatta, to assist in our preparations.

Unlike previous Sessan Cups, we are asking competitors to bring their own boats to this event.

However, to assist competitors, it is our intention to offer :

- Free Lifts in/out and mast stepping.
- Free Berthing.
- Free storage for boat trailers
- Free accommodation with local Folkboaters where possible.
- Space for Camping Vans
- A full social programme including events for family members.

In addition, we will be offering a generous travel subsidy to the first 10 overseas entries.....payable on arrival at the event!

If you are considering an entry for this Regatta, could you confirm:

- Your name
- Email Address
- Boat Name
- Boat Number

Please send these details to: events@rlymyc.org.uk

Thank You!

With Kind Regards

Nicky Henderson
GB National Folkboat Association Secretary
